Forecast For Wales
Issued by Met Office Exeter
at 1600 on Monday 27 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Scattered showers and long clear spells.

This Evening and Tonight:
Scattered showers through the night, but dry for most people. Long clear spells until cloud starts moving in from the west in the early hours, along with some rain. Blustery along the coast. Feeling cool. Minimum temperature 9 deg C (48 deg F).

Tuesday:
A wet start with prolonged rain across the country, heavy at times. Clearing slightly in the late afternoon, leaving scattered showers. Windy, particularly in the south. Maximum temperature 16 deg C (61 deg F).

Outlook for Wednesday to Friday:
Sunny spells and showers on Wednesday. Further showers on Thursday and Friday, some potentially heavy and thundery. Windy and feeling cooler through the period.
